

"C" Division

Montreal, Quebec.

"SPECIAL EMERGENCY ORDER" (I.S.R.)

MEMBER I/C PRIORITIES,
RCMP - "C" DIVISION
MONTREAL, Q.B.

1. In receipt of these instructions from the Commanding Officer, you will immediately secure from S.I.R. records, previously prepared lists of detentions and searches to be effected, arranged in geographical zones together with necessary documents. These documents will include Pages 1 and 2 of Form C 215 and "Search Warrants" needed by each team to accomplish its assignment.
2. You will show the six Zone Supervisors their respective areas on the marked map kept in the S.I.R. office. At this time you will hand over to the Zone Supervisors the detention documents and "Search Warrants" required for operation in their respective zones. Canvas bags and seals which will be obtained from S.I.R. will be given to the Zone Supervisors instructing them that these two items are to be handed to each team leader to facilitate his assignments. These bags are to be used for the handling of Exhibits and Zone Supervisors should ensure that the "Exhibit Record" form bears the number of the seal used. This matter has also been dealt with in "General Instructions". Zone Supervisors will also be supplied with large manilla envelopes for documents and articles seized on detainees or specific places which would in turn be handed to team leaders.
3. Should detentions or searches be required outside of Montreal and close vicinity, you will prepare a list showing the address where such detentions or searches are to be effected. You will hand over the necessary documents to the teams detailed for these apprehensions and searches and brief them as to their duties. They shall be instructed to return to this Headquarters with detainees and exhibits.
4. You will obtain from S.I.R. records prepared list of suspects' automobile license numbers which will be handed to the Member i/c Records for mimeographing. Copies will subsequently be used by personnel at escape routes, border points, Laurentian area, etc.
5. You will brief all personnel employed in this operation including Zone Supervisors in the lost symposium in accordance with "General Instructions".
6. You will maintain contact with the Record Office

MEMBER I/C PRIORITIES

which will be operating a log showing the detention and exhibits seized during the operation. This will allow you to take whatever action is necessary with certain detentions and searches.

7. You will have staff standing by prepared to furnish additional data from S. & I. Branch files should this material be required in perfecting detentions and conducting searches.

8. You will hold yourself at the disposal of the Commanding Officer and the Member i/c Operations to give advice and furnish information as required.

Commanding Officer "C" Division
